**How to get to the Fan Zone Schlossplatz:**

In general: For the entire UEFA EURO 2024 period until July 14, 2024, Stuttgart is expected to be very busy. This will also affect traffic. In addition, there may be occasional road closures on the main roads that cannot be planned in advance. These will occur ad hoc in addition to the already existing closures in the central city center.

The car parks in the city center are not accessible. A few parking facilities are available outside the city ring.

After the matches (regardless of the location, Host City Stuttgart), car parades are likely to cause disruption. This may lead to temporary road closures, especially in the city center. Additional traffic disruptions are expected.

It is therefore strongly recommended to travel by public transport or bicycle.
