Generally, the following applies: Significant visitor numbers are expected in Stuttgart over the entire period until July 14, 2024. This will also affect traffic. In addition, there may be road closures on the main roads due to certain situations, which cannot be planned in advance. These will occur on an ad hoc basis in addition to the existing closures in the city center. The parking garages in the city center will not be accessible. There are a few parking spaces available outside the "Cityring".

After the matches (regardless of the Host City Stuttgart location), obstructions due to motorcades must be expected. This may result in temporary road closures, especially in the city center. Additional traffic obstructions are then expected. It is therefore strongly recommended that you travel by public transport or bicycle.

The U6 subway line runs every ten minutes from the airport to the "Schlossplatz" station, the journey takes 30 minutes. Alternatively, you can take the S2 and S3 commuter rail lines to the main station. Travel time: 30 minutes.

The U5, U6, U7, U12 and U15 subway lines run from the main station to the "Schlossplatz" stop. The journey time is two minutes. The walk takes about ten minutes.

#### **FAN ZONE MARKTPLATZ**

The Fan Zone Marktplatz will once again be a sporting venue on July 14. If you like kicking the ball or love gaming, this is the place to be. Tournaments, fan matches and other sports activities will take place on the Soccer Court. Fans can also drop by for a spontaneous match. There are also two gaming areas where you can play for all you're worth. A special highlight at the end is the Entangled Championship. This is a transcultural futsal tournament in which visitors can take part regardless of their cultural backgrounds and common stereotypes. The tournament is organized as part of the current special exhibition "Stuttgart - Afghanistan" with clubs that support people with a history of flight and migration.
